January 25, 1975

The Board of Selectmen
Town of Richmond
Winchester, New Hampshire 03470

Gentlemen:

We submit herewith the report of our audit and examination of the Accounts and Records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1974.

The Financial statements as listed hereafter are to be included as part of our report, however, only this letter of transmittal and the special Revenue Sharing report need to be published in your annual Report of Town Officers.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, and Trustee of Trust Funds are included in our examination and audit.

FINANCIAL STATEMENTS

1. Comparative Balance sheets show a decrease of \$6,006.88 in net debt of the Town.
2. The Statement of Appropriations and Expenditures shows a net over-draft of appropriations in the amount of \$9,257.71.
3. The Statement of Estimated and Actual Revenues shows a net revenue surplus in the amount of \$4,852.95.
4. The Town has a net budget deficit for the fiscal year in the amount of \$4,404.76.
5. Other summaries included in our report are of the Town Treasurer, Tax Collector, Town Clerk, Trustee of Trust Funds, and the Revenue Sharing account.
6. Summary of Long Term Indebtedness.
7. Special Revenue Sharing report. Federal Revenue Sharing regulations require that this report be published in the Annual Town Report. It is also reported to the Department of Revenue Administration in Concord, New Hampshire.

AUDIT PROCEDURE

The Audit procedure included comparing of vouchers and cancelled checks with supporting invoices and payrolls as well as entries of record. Receipts were verified insofar as possible and totals of all receipts and expenditures were verified. Book balances were verified by comparison with reconciled Bank balances made from Statements obtained from the depository Banks. Uncollected taxes were verified by mailing notices to a majority of the delinquent tax payers as indicated on the Tax Collector's records.

CERTIFICATION OF AUDIT

We hereby certify that we have examined and audited the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk and Trustee of Trust Funds of the Town of Richmond, New Hampshire for the fiscal year ended December 31, 1974, and have found them to be in excellent order and to the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the Town of Richmond for the period under review.

THANKS

We wish to thank all the officials of the Town of Richmond for their sincere and kind assistance and cooperation during the course of our audit.

Very truly yours,

Arnold B. Conway

Evelyn T. Conway

SELECTMEN'S REPORT 1974

Again this year, a considerable amount of time and money was spent on the roads. Bridges have also received work, some being rebuilt and others repaired.

As scheduled, TRA work was done on the Bullock Road. The funds available allowed the work to progress further than originally anticipated.

Our request for Federal Disaster Relief for the storm of December 1973 was filed and approved. The road work being completed, we have been reimbursed for 50%, and expect the remainder shortly.

During this year, we discovered what we believe to be an illegal subdivision of land on the Attleboro Mt. Rd. After an unsuccessful attempt to correct this situation, we have had to petition the New Hampshire Superior Court for an injunction. This matter is still pending.

An agreement has been negotiated with the town of Winchester for the use of its sanitary land fill facility. This is on an annual basis, continuing from year to year.

We have appointed a Bi-Centennial Committee to make tentative plans for the celebration of our Nation's two hundredth anniversary, as well as Richmond's two hundred and twenty-fifth anniversary in 1977.

For the second year in a row, Richmond's Town Report was awarded second place in the municipal reports contest. This contest is sponsored by the University of New Hampshire, in conjunction with the New Hampshire Municipal Association.

POLICE DEPARTMENT REPORT

We went over our budget again this year, but this is normal. There were some expenses that I did not know would be coming out of my budget. This year we have planned accordingly and will try to keep within our budget for 1975.

We bought a new radio which was accepted by the town as a gift at the last town meeting. It has proven to be a valuable asset.

There was a very large number of dog complaints. This can add up to quite a lot of expense to the town.

The last two months of the year showed an increase in breaks. Much of this is due to the number of people out of work, needing money.

We hope to buy a used radar set this year. We feel we could make good use of it this summer.

The officers and I drove 16,717 miles and put in 1,456 hours. We received approximately 200 complaints.

200 complaints received

49 warnings given

20 arrests with court action

55 assists to other towns

17 properties broken into (11 less than last year)

10 auto accidents (5 less than last year)

In June we had a police telephone installed. The number is 239-6007. We request you use this number for any police business during the day. Nights you may call us at our home number, 239-4511

All in all this has been a pretty good year. We are looking forward to serving you again in 1975.

REPORT OF THE RICHMOND CONSERVATION COMMISSION

To the Board of Selectmen:

The Richmond Conservation Commission hereby presents the following report of its activities for 1974:

1. At the request of the Selectmen and the Planning Board, the Conservation Commission supervised the removal of the trees on the Bullock Road betterment project, according to the original plan of the program.

2. At the request of the Selectmen, the Conservation Commission inspected a lumbering operation on the Lang Road. Because of muddy conditions, the operation had to be temporarily abandoned, but the loggers cleaned up the operation later to the satisfaction of everyone concerned. Last year the Commission recommended to the Selectmen that another operator be required to pull the tops and debris out of Tully Brook and along the highway before removing any more timber. This was done.

The Selectmen also requested the Commission to inspect a lumbering operation on Rte. #32 opposite the Donald Parsells residence. We recommend that the debris on the landing site be cleaned up, and, although no forest laws had been broken, siltation of the brook had occurred, and a filling in of deep ruts was recommended to halt pollution of the brook.

3. Chairman Bennett was one of a panel of five at a meeting on Land Use, which was held in the Science Hall at Keene State College last spring.

4. Mrs. Joan Quintard and Chairman Bennett addressed a group of Antioch College students, led by Dr. Shaun Bennett, on Planning and Conservation of Natural Resources.

5. Planning Board Chairman Joan Quintard, Evert Quintard and Chairman Bennett attended a Land Use planning meeting at Peterborough. Mrs. Quintard prepared a chart showing our collective accomplishments.

6. At the request of Executive Councilor Bernard Streeter, the Commission arranged for a public hearing at the Town Hall so he could meet with Richmond citizens to hear their views concerning a contemplated re-reclamation project at Sandy Pond, and a proposal of the N. H. Fish and Game Department to take land by eminent domain for a public right of way to the pond and the construction of a six-car parking lot at the pond. The proposal was tabled by the Governor and Council.

7. Mr. Fred Toot Executive secretary of the Cheshire County YMCA, Mr. Knowlton of the Fish and Game Department and Thomas Baird, Richmond's Health Officer, met with the Commission to discuss the proliferation of weed growth at Cass Pond, as well as the unacceptable level of coliform bacteria at the Richmond Town Beach area. We agreed that chemical control of the weeds would be permitted as a short term cure, but we should make an in-depth study of the origin of the excess amounts of phosphates in the pond, which is causing the problem. Mr. Baird was to lead in the conduct of this study.

8. At the request of the Planning Board, the Commission inspected the fire pond on Rte. #119 on the Tree Growers, Inc. Colony Lot subdivision and made recommendations. The Commission inspected Mr. Brian Mahoney's pond site and could find no need for a public hearing under the Dredge and Fill Law.

9. We manned a Conservation Booth at the Firemen's Barbeque, as usual, and distributed bulletins and information concerning conservation of natural resources.

10. The details of the Richmond Soil Survey have been completed, and all bills have been paid, as shown in our Financial Report. A full description of the project's history was printed in the "Richmond Community Newsletter."

11. The Commission completed 20 acres of timber stand improvement in the Town Forest, which was explained in the "Selectmen's Fact Sheet."

We wish to express our thanks for the many courtesies extended to us throughout this past year, for donations to our fund and for the fine support we have received. We hope to be able to be of even greater service to the community in the year ahead.

REPORT OF THE Winchester District Nursing Association, Inc.

The Winchester District Nursing Association continues to be very busy with 2798 visits completed in 1974. 61 of these were to Richmond. The towns of Richmond and Swanzey buy services from this organization. Because of the heavy case load, it is anticipated that a part time additional nurse will be employed in the near future.

The bulk of our nursing visits payments were collected by contract through Medicare, Medicaid and Blue Cross programs. Our services are mainly absorbed by the elderly and the very young.

I wish to thank all members of the board, our dedicated nurses, Ruth LaRochelle and Priscilla Gloeckler, our clerk, Virginia Felch, town officials and each and every one who has contributed his efforts in any way. We are pleased to have Judith Gilman and Diane Baird as representatives from Richmond on our Council.

REPORT OF THE RICHMOND CEMETERY COMMITTEE

To the Board of Selectmen:

The unseeded areas of the Earl R. Howard Cemetery Extension have been taken care of, and the only work remaining is to select and install a sign.

The Selectmen met with the Cemetery Committee and requested that the Committee assume the responsibility of all of the cemeteries in town. This is a large assignment, but the Committee agreed to attempt it.

The money left in the special appropriation for the Cemetery Extension will be used in the coming year to purchase and install signs at the three cemeteries in current use.

The Committee would suggest that family lots be purchased in the new cemetery so that the buyer may have a choice.

All remaining grave sites in the other cemeteries will be assigned on an individual basis to those to whom it would be a financial hardship to purchase a family lot.

Application for the purchase of a lot should be made to the Committee secretary, Mrs. Valma Davis.

Respectfully submitted,

Jane Jillson, *Chairman*

Valma E. Davis, *Secretary*

REPORT OF THE PLANNING BOARD

The Planning Board has held regular monthly meetings on the fourth Wednesday of every month during 1974 with the exception of February 27 and December 25, 1974. Special meetings were held on the Scenic Road Ordinance as it effected the betterment project on Bullock Road by the State Highway Department with TRA money. Richmond not only is one of the first towns in the State to declare all of its roads Scenic Roads, but also has the distinction of having the narrowest TRA road in the State of New Hampshire. Mr. Grandin, State Road TRA Adviser for Cheshire County, should be commended for working so closely with the Richmond Conservation Commission, the Selectmen, and the Planning Board, plus many citizens, to reconstruct this very controversial stretch of road to the satisfaction of almost everyone.

The Medium Intensity Soil Survey Map, the Interpretative Maps, and the Soil Survey Report were received in November. The Board was instructed in the use of these planning tools by Mr. Chrisenton, Soil Conservationist for Cheshire County, at a special meeting to which the public was specifically invited.

As the maps were received too late in the year for a conscientious study in regard to the Master Plan the Board is asking, by article in the Warrant, for an extension of the subdivision moratorium for one year.

Sub-division Applications Approved:

Bullock Road Yvette & Raymond Ellis, by agent George Blais 10—3 to 11 acre lots subject to completion of fire pond and dry hydrant. \$25.00 fee received.

Colony Hill Tree Growers — Agent W. B. Parker. 9—5 to 6 acre lots off south side of Rte. 119 S. subject to fire pond and dry hydrant on lot #14, and road to specifications of the Selectmen. \$25.00 fee received.

Subdivision Application Disapproved:

Squires Glen — Messers Honick & Rowe — 21—2 & 3 acre lots along Martin brook off Rte. 32W, disapproved because of wetlands and flood conditions through the power of the subdivision moratorium. The Conservation Commission and the Planning Board worked together on this application with several on site inspections.

The Planning Questionnaires received extremely thoughtful attention by those who answered them, however, the number of returns was somewhat disappointing — a tabulation of responses follows:

REPORT OF THE FIRE CHIEF

I hereby submit my report to the Selectmen and citizens of Richmond for the year ending December 31, 1974.

The year of 1974 we were very unfortunate in having a rash of fires on Rte. 119 toward Winchester. The fires were investigated by the Fire Marshall, State and Local Police and myself, but we could not prove anything.

We purchased more coats, helmets and a few other things that we needed.

There is an item in the pamphlet that the Selectmen sent out about the base Radio at the Fire Station, it is getting old and is costing us a lot of money for repairs this year, they told me to order a new one, it would be cheaper.

We assisted Swanzeey Center at a house fire with the new Tanker. We have also covered East Swanzeey Station three or four times, also covered Winchester two times.

The girls of the Muster Team came home with a third place trophy at Keene Muster. The men also came back with a trophy this year.

At this time I would like to thank everyone who has worked on the truck when needed.

I would like to thank Meadowood and the surrounding towns of Winchester, Fitzwilliam, all the Swanzeys and the help through the Mutual Aid System.

Robert VanBrocklin
Richmond Fire Chief

LIBRARIAN'S REPORT

1974

The highlight in my report this year, is of course, the progress of the addition to our library. Early in the spring a group of interested people got together and disassembled the beach cottage and brought the lumber down onto the library grounds. Refreshments were served to the group afterwards at the Fire Station. In the fall the addition took shape and was finished exteriorly with the exception of the porch and stairway. The interior has yet to be done. This has been a great start, however, and I am now getting anxious to move in.

The lawn sale on Richmond Community Day was a success as usual. Books, cookies and fleamarket items were on sale and the Lays came in the afternoon and sold balloons for us. This needless to say, created colorful excitement for the children. We netted \$105.00.

An interested number of people have met twice to think about organizing a Friends of the Library group. This has not yet been accomplished but many worthwhile projects were discussed to raise money for various aspects of the new addition. Also, out of this group came our chairman for the Adventure Time story hour for the Children—Mrs. Diane Baird.

I have attended one District Advisory Counsel meeting, two workshops and two book exhibits during the year.

My many thanks to those who have contributed books and magazines throughout the year. Your continued interest is greatly appreciated.

The library hours are Tuesday 3—8 P. M., Saturday 2—5 P.M. Adventure Time Story hour, Saturday 2:30—3:30 P.M. — open to Kindergarten through 3rd grade.

Respectfully submitted,
Edith W. Atkins
